

Art Scholarship 13+ and 16+

What are we looking for in a scholar?

Art scholars have a genuine interest in art demonstrated through their enthusiasm and commitment for the subject and are keen to develop their creative potential. They are encouraged to develop as curious and resilient learners, prepared to take risks with their work and represent the Art Department.

Potential art scholars will:

- show a keen and developing interest in art through school and extracurricular activities in art and design
- have a sense of joy in the subject
- be interested in seeing the work of artists, designers and makers at first hand by visiting art galleries and museums and attending workshop and atelier activities
- work collaboratively and independently
- be prepared to go beyond
- have good skills in art and design, but most importantly show potential to develop as an artist, designer or maker

What does a scholar enjoy?

- Artist Student Club for scholars and invited students
- Sixth Form scholars act as mentors to scholars in the younger years
- Art scholars curate an Open Call exhibition of work for which they decide the theme
- Scholars workshop in September to explore a technique beyond the curriculum
- In Year 11 art scholars are invited to attend life drawing classes with Sixth Form A Level students

Expectations of a scholar

- Regular attendance at one of the Art Department clubs in either art or ceramics

- At 13+ select art/ ceramics as one of their GCSE choices; at 16+ select art as one of their A Level choices
